

**WINTER 2020/2021  
PARKING AND TRANSPORTATION INFORMATION**

**IMPORTANT INFORMATION REGARDING OUR PARKING SYSTEM**

- 1) The Town of Snowmass Village utilizes a license plate recognition permitting system in which your vehicles license plate will serve as your permit number. No more scraping off the old permits and re-affixing the new ones. Once you have registered your vehicle(s) and paid for your permit(s), your information is in the system and your vehicle is valid for the season. Resident Permit prices will remain unchanged for the 2020/2021 Winter Season. As in years past, Residents will be allowed a maximum of three permits per household. Of the three vehicles that you are allowed to permit, you may **purchase only one of each** of these permit types:
  - 1<sup>st</sup> Resident Permit = \$60.00
  - 2<sup>nd</sup> Resident Permit = \$100.00
  - 3<sup>rd</sup> Resident Permit = \$185.00
  - Resident "R" Permit = \$40.00
- 2) **If you sell your vehicle or for any reason replace your license plate, notify us immediately.**
- 3) When parking please observe the parking lot signage designations located at the entrance to each Numbered Lot. Full Resident Permit privileges are referred to as "Premium" parking. **Resident 1, 2 and 3 Permits** have "Premium" privileges and, as in years past, are allowed to park in Village Lots 1 through lower 5, 8 through 13 and The Divide Lot. The **Resident Restricted Permit** has "Restricted" parking privileges and also as years past, may park in Village Lots 10 through 13 only. Look for the signs at parking lot entrances and know which parking lots your vehicle has access privileges to.
- 4) Day skier parking is available in the Base Village parking garage and Two Creeks. For pricing and information for Base Village parking call (970) 924-6000. For pricing and information for Two Creeks call the Aspen Skiing Company at (970) 923-1220. **Town of Snowmass Village resident parking permits are not valid in the Base Village parking garage or Two Creeks parking lots.**
- 5) For the winter season there will again be time-restricted parking spaces in lot 6 and upper lot 5. This has been done to make it more convenient for people to access the Mall for short periods of time. Please be aware of the location and posted time limits of these parking spaces.
- 6) Vehicles may not be stored in any town parking lots. In an effort to reduce the number of plowed in vehicles in the Numbered Parking Lots, and thus increase the available parking, the allowable period for a vehicle to remain unmoved has been reduced this season from 7 to 4 days. The Snowmass Village Police Department requires all vehicles to be legally registered, permitted, mechanically sound and moved to a plowed parking spot every 4 days or following a snowstorm. Vehicles not moved within 4 days or following a snowstorm will be subject to ticket and tow.

**TRANSPORTATION INFORMATION:**

There will be no changes to the Village Shuttle service for the upcoming winter season. Please consult our 2020/2021 route map or call the Transportation office for specific route information.

**GENERAL INFORMATION:**

- 1) Our Transportation and Parking office is the first office on the left as you enter Elbert Lane.

September 15, 2020

Dear Snowmass Village resident,

Snowmass Village residents may obtain their parking permits by mail. Please provide all the information requested on the back of this page, and return it together with the required items as listed:

- Pricing is for each individual Resident permit  
**1<sup>st</sup> Resident Permit = \$60.00**  
**2<sup>nd</sup> Resident Permit = \$100.00**  
**3<sup>rd</sup> Resident Permit = \$185.00**  
**Restricted Resident Permit = \$40.00**  
(See other side of form for permit details.)

These prices are for each individual permit. Each residential household is allowed a maximum of three permits, out of the four available permit types. If you choose to purchase a Resident 1 permit @ \$60 and a Resident 2 permit @ \$100, the total cost is \$160.

Please send a check for the total cost of all permits made payable to "TOSV".

**DO NOT SEND CASH**

- **PROOF OF RESIDENCY.** If your name is listed on the county tax rolls as a Snowmass Village property owner as of September 1, 2020, no other proof is required. If your property is not listed in your name or varies from the name on the parking application for any reason (i.e. listed under a partnership or recently acquired,) please explain and attach copies of ownership evidence, e.g. a partnership agreement.
- **COPY OF CURRENT VEHICLE REGISTRATION(S).** A copy of a current vehicle registration that is in your name **must be attached for each vehicle to be permitted.** In our new permitting system once vehicle ownership has been established it will no longer need to be confirmed annually.
- **A SELF ADDRESSED STAMPED ENVELOPE** is not required unless you would like your receipt and a confirmation that your vehicle(s) are properly permitted and in the new system mailed to you. Keep in mind that we are no longer issuing physical permits and that your license plate now serves as your valid permit number. **Please take the time to add an e-mail address to your customer information as this can be used in the future to send your receipt in lieu of a self-addressed stamped envelope.**

**Incomplete applications cannot be processed.** Please recognize that, in our dynamic resort community, proof of residence must be verified annually.

I hope that our permit mailing proves convenient for you. Do to the ongoing COVID-19 pandemic we ask that, if possible, you utilize this mail-in option. Otherwise, you continue to be welcome at our office to make an in-person purchase. Our office is located on Elbert Ln, in the upper mall level. Please bring the items listed above. Please know that masks and social distancing will be required with no more than 3 people in our office at one time. If you have any questions, feel free to call our office at (970) 923-2543. Your comments and/or suggestions concerning Snowmass Village's parking or bus systems are always appreciated.

Sincerely,

Sam Guarino  
Transportation & Parking Supervisor
